Please list any relevant personal or professional experience working with girls and or boys and/or women/men including volunteer and/or paid experiences.

Explain your personal motivation(s) to be certified to offer our workshops.
Which workshops are you interested in?

Will you be working with another individual or organization or as an individual? Briefly explain what your plans are as of this time.

Workshop participants are often mixed ages and backgrounds such as race, academic opportunities, family relationships/status and class. Let us know your feelings about bringing girls/boys of different ages and backgrounds together.

In which geographic area will you be working? How do you plan to recruit initial and ongoing participants?

What would be your mission statement regarding the workshops?

What is the most urgent issue facing girls' and/or boys' today? Why? What is the basis for your answer?

Please explain any plans you have to network with other groups.

THANK YOU. RETURN TO GSPEAKOUT@AOL.COM
